Monthly Tuition Installments

Full Schedule 8:00am–4:45pm

5 Days Monday-Friday

\$2,300

Fees

Tuition is billed annually based on a 12-month school year, September through August, and paid in equal monthly installments. In the event of early withdrawal, all fees are non-refundable and monthly installments must be paid until a substitute student enters the program.

Enrollment for the fall is confirmed by payment of the enrollment fee. The enrollment fee is equal to one month's tuition and will be used to hold your spot. The enrollment fee is non-refundable even in the case of early withdraw from the program. The fee will be applied to the new art materials and supplies used throughout the school year, the enrichment teachers, the organic fruit program, and all of the in school and out of school field trips. Once entering the program all school related activities are inclusive. Tuition may increase annually to attract and maintain a high quality teaching staff.

Tuition Payments

Monthly tuition installments are due by the first of each month. If payment is not received by the fifth, the Director will contact you. Returned checks will incur a service charge.

By enrolling your child and signing this financial agreement you are committed to pay a full year's tuition regardless of attendance except if the school is able to find a substitute pupil to replace your exact schedule. In this case you will continue to pay monthly tuition installments until the first day of the first month that the substitute pupil enters the program. The enrollment fee will not be refunded should you withdraw from the program at any time.
